Listening Script

A Birthday Party

Today is Sunday March, 19th. It's Lina's birthday. All the family members are busy. They are preparing for the party. Her father is going to the supermarket to buy fruits, candles, sweets, ice cream and birthday hats. Lina's mother is making a big chocolate cake, some lemonade and orange juice. Her brother Adem is busy, too. He is decorating the living room with balloons, streamers and flowers. Lina is calling her cousins and friends to invite them to the party. It's 3:00 p.m now. Everyone is around the dining table singing "Happy birthday to you Lina". Then she blows out the ten candles. She is very happy because she has got a lot of presents.
